## Scholarship for Engineering Education for Minorities

July 14, 2015

The Scholarship for Engineering Education for Minorities program offers financial assistance to Georgia residents who are engineering students attending an eligible post-secondary institution and enrolled in an engineering program of study approved by the Engineering Accreditation Commission of the Accrediting Board of Engineering and Technology (ABET). The purpose of the program is to attract minority undergraduate students into the engineering profession and to increase the number of qualified engineers in Georgia.
