

SECOND SUPPLEMENT TO: DOCTORAL DISSERTATIONS IN INSURANCE AND CLOSELY RELATED FIELDS, 1940-1962

COLUMBUS E. TOOTLE

The first supplement to the above paper listed dissertations published between May, 1962 and May, 1963. This supplement lists dissertations published since the latter date.¹ Reference sources used in preparing the lists include:

- A. *Dissertation Abstracts*, Ann Arbor, Michigan: University Microfilms, Inc., 1940 to May, 1965.
- B. *Index to American Doctoral Dissertations*, Ann Arbor, Michigan: University Microfilms, Inc., 1942 to 1964.
- C. *A Survey of University Business and Economics Research Projects*, editions of 1957-61 and 1959-63, Small Business Administration, Washington, D.C.
- D. "Titles of Doctoral Dissertations," (annual list published in September issue), *American Economic Review*, 1962, 1963, 1964.
- E. "Research Projects in Accounting" (annual list), *Accounting Review*, October, 1964, pp. 1079-85.

For each dissertation in this list, the reference source is given in parentheses. For example, (A, 64, p. 3296) means that the dissertation is listed on page 3296 of the 1964 issue of *Dissertation Abstracts*.

1. Aaron, Henry, "Social security in an expanding economy," Harvard. (D, 64, p. 958).
2. Abner, David III, "A history of negro legal reserve life insurance companies," Indiana. (D, 63, p. 920).
