The copy filmed here has been reproduced thanks to the generosity of:

Douglas Library
Queen's University

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Douglas Library
Queen's University

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

RULES AND REGULATIONS.

"The Members of the Agricultural Societies of the several Townships within the County or United Counties wherein the Annual Exhibition may be held, and the members of the said County or United Counties, shall be also members of the Association for that year, and have badges accordingly: provided the Agricultural Societies of the said Townships, or the Societies of the said County or United Counties, shall devote their whole funds for the year including the Government Grant, in aid of the Association. The Office-bearers of all County Societies shall have badges of free entrance during the Show."—*By-Law.*

1. The payment of 5s. and upwards constitutes a person a member of the Agricultural Association of Upper Canada for one year; and £2 10s for life, when given for that specific object, and not as a contribution to the local funds.

2. No one but a member will be allowed to compete for prizes except in classes 30, 32, 34 and 35.

3. All Entries must be made on printed forms, which may be obtained of the Secretaries of Agricultural Societies, free of charge. These forms are to be filled up and signed by the exhibitor, enclosing a dollar for membership, and sent to the Secretary of the Association, Board of Agriculture, Toronto, ON OR BEFORE SATURDAY, SEPT. 22., after which time a charge of 5s will be imposed on each article.

Exhibitors in the Horticultural and Ladies' Department may enter articles up to Tuesday Evening, Oct. 9th., when the Books will be finally closed.

Blood Horses and Thorough-bred Cattle must be entered, and have their full Pedigrees properly attested and sent to the Secretary in Toronto, *not later than Saturday, Sept. 22nd.* No animals will be allowed to compete as pure-bred, unless they possess regular Stud and Herd Book pedigrees, or satisfactory evidence be produced that they are directly descended from such stock.

4. Badges from the Treasurer's Office will be furnished each member, which will admit himself only, free to every department of the Exhibition, during the Show. Life members admitted free.

5. Tickets of admission to those who are not members, 7½d each time of admission. Carriages, including drivers, 5s; passengers to pay 7½d each. Horsemen to pay 1s 3d each admission.

6. Every article exhibited for competition must be the growth, produce, or manufacture of Canada, except Classes 34 and 35. Live Stock for breeding must be the property of persons residing in Canada. All premiums for articles, except Stock, are to be awarded to the *manufacturers or producers only.*

7. Discretionary Premiums will be awarded for such articles as may be considered worthy by the

Judges, although not enumerated in the List, and the Directors will determine the amount of premium.

8. In the absence of competition in any of the Classes, or if the Stock or articles exhibited be of inferior quality, the Judges will exercise their discretion as to the value of the premiums they recommend.

9. The Judges, Competitors, and Officers of the Association only will be permitted to enter the Show Grounds until 12 o'clock, on Wednesday Oct. 10th, at which hour Members will be admitted. Non-members will be admitted on *Thursday and Friday mornings* after 8 o'clock.

10. No Articles or Stock exhibited will be allowed to be removed from the grounds, till the awards are made, without the permission of the President, under the penalty of losing the premiums. An Auctioneer will be on the spot after the premiums are announced and every facility afforded for the transaction of business.

11. Delegates, Judges and Members of the Press, are requested and expected to report themselves at the Secretary's Office immediately on their arrival.

12. The Judges are to meet at the Secretary's office on the Grounds, on Wednesday morning, at 9 o'clock precisely, to make arrangements for entering immediately upon their duties.

13. Arrangements will be made for Agricultural Lectures or Discussions during the evenings of Wednesday and Thursday of the Show week.

14. While the Directors will take every possible precaution under the circumstances, to ensure the safety of articles sent to the exhibition, yet they wish it to be distinctly understood that the owners of the articles must themselves take the risk of exhibiting them; and that should any article be accidentally injured, lost or stolen, the Directors will give all the assistance in their power towards the recovery of the same, but will not make any payment for the value thereof.

15. The Treasurer will be prepared to commence paying the premiums immediately after the successful competitors have been declared, and parties who shall have prizes awarded them are particularly requested to apply for them before leaving Cobourg, or leave a written order with some person to receive them, stating the articles for which prizes are claimed.

The Local Committee will make arrangements with Steamboat and Railway proprietors for carrying the passengers at reduced rates; also with the Hotel and Boarding-house Keepers, for accommodating visitors at their ordinary fixed charges. Full particulars will be published hereafter in Show Bills.

COUNTY AGRICULTURAL REPORTS.

A Premium of £15, will be given for the best Report on each of the following Counties: viz., SIMCOE, BRUCE, and PASCORA. If the successful Report be written by the Secretary of the County Agricultural Society, the premium will be increased to £20.

These Reports, in addition to the usual information required respecting the condition of Agricultural Societies within their range, should describe the various soils of the county, modes of farming, value of land, amount of tillage and average of crops, breeds of live-stock, implements and machines in use, manures and their mode of application, sketch of part process, with suggestions for further improvement.

All statistical information should be condensed and, when practicable, put in a tabulated form. The main object of the Report would be to afford any intelligent stranger who may read it, a concise, yet an adequately truthful view of the agricultural condition, and industrial pursuits of the County. It is desirable that each Report should not be less than 25 or 30 octavo pages, when printed.

The Reports are to be sent in to the Secretary of the Board of Agriculture, Toronto, on or before the 1st day of September next; accompanied by a sealed note containing the name and address of the writer. Such as obtain premiums will become the property of the Board; but no premium will be awarded to any Report, unless it possesses sufficient merit, altho' it may be the best sent in.

JUST PUBLISHED,

THE Journal and transactions of the Board of Agriculture of Upper Canada, No. 1, Vol. 1st, pp. 180 Toronto: printed and published by Thompson & Co. for the Board of Agriculture. This work will be issued in quarterly parts, four of which will form a volume. The first part embodies the transactions of this Provincial Association from its institution in 1845, down to the commencement of the year 1851. The next number will contain an account of the further proceedings of the Association and the Board of Agriculture, Prize Essays, Abstract of County Reports, &c. The work will be sent free by post for 5s per annum. All communications and remittances to be addressed to the Secretary of the Board of Agriculture, Toronto.
