**DESCRIPTORS** \*Area Studies; College Language Programs; Cross Cultural Studies; Cultural Education; Departments; \*Directories; \*Language and Area Centers; \*Language Instruction; Political Science; \*Universities

**ABSTRACT**

This document lists, by college and university, language and area study programs available at a particular school. Over 100 schools are included, and more than 200 programs are listed. Each entry provides the school address, program title, languages involved, and the name of the professor in charge. Information was compiled from material provided by the Office of Education Social Sciences Research Council Language and Area Programs Review. (VM)
