## Abstract

This study aims to recognize the procedures adopted by banks in Gaza Strip to supervise and attack money laundering operations, Which included (investigating the client, internal supervising, equipments of laundering money which consist of the committee and the administrative units, commitment with laws and international legislations and Palestinian Monetary Authority instructions, training employees, clarity of directions).

The researcher used the descriptive method and the comprehensive survey to collect data to meet the research objectives.

The study includes the top level of management in the different main offices and branches of banks working in the Gaza strip represented by the general directors / deputy of the director , head of the branch, head of department ,division chief ,the auditor.

The researcher used the questionnaires to collect data from the origin recourses, distributed 170 questionnaires and received 119 about 70%.

The study concluded that there is a commitment in banks in Gaza Strip refusing opening an account for a client or any banking deals without interpolation him very well and the banks apply the precautionary procedures in order to forbidden money laundering also the study includes that there is a reduction in the training program balance concerning money laundering.

The research summaries the most important recommendations, such as enforcing the procedures of identifying the client nevertheless the value of the operation, never hindrance the work because of requiring precaution, and also improve the cooperation between Palestinian Monetary Authority and banks in order to identify the forbidden operations and try to depth the international cooperation, the study also recommends to give a care by establish a procedures guide by the bank in order to confront money laundering operations.

<sup>1</sup> تم إحالة أشهر قادة المافيا (آل كابون) سنة 1931 إلى المحاكمة بتهمة التهرب الضريبي ( حيث يعتبرها القانون الأمريكي من عمليات غسيل الأموال)، كما ركزت المحكمة على دور المحاسب والمصرفي ( ميرلانسكي) لإيجاده وسائل لإخفاء الأموال (عرب، 2000).  
<sup>2</sup> كلفت الولايات المتحدة لجنة من وزارة الخزانة الأمريكية للبحث وحصر الأموال ، ودعت بعدها العالم إلى عدم الاعتراف بالأموال المنهوبة وطالبت بإعادتها إلى أصحابها الشرعيين(الفاعوري وقطبشات،2002).
